# Bombers For Academic Excellence

Membership in this organization shows you support academic excellence. The BAE goals are to encourage students in Rensselaer to excel in intellectual growth, and to help foster the development of a culture among our youth which strongly values academic achievement.

To achieve these goals, each school year the organization publicly honors all students (grades 1 - 12) who have excelled academically. Your contribution will promote, encourage and reward students in every grade level to excel in scholarship and intellectual growth.

The membership categories were named after those people who taught in or supported the Rensselaer Schools throughout the years.
